Dear Matt and Brad:

On behalf of the I-X Center Corporation I would like to thank you both for your help in making MAX International a success.

The trouble-free rental of the 154 radios made communication with all the departments so easy. I thought, with renting so many radios, it would be a programming nightmare, but they were all programmed perfectly. As usual, it was a pleasure doing business with Independence Communications.

Thanks again.

Sincerely,

I-X Center Corporation
